

MISSION, VISION, AND VALUES

Our Mission

“To promote health, wellness, and recovery”

Our Vision

“To improve the quality of life through health and wellness”

Our Values

- Dignity, Respect and Courtesy for all individuals
- Upholding the public trust with integrity and accountability
- A well trained and culturally sensitive workforce that uses Evidence Based Practices
- Being a leader in Shiawassee County for behavioral health by acting as a safety net to our community and giving individuals opportunities to reach their potential
