

## **Job Posting**

### **Supervisor for Case Coordination for Individuals with Intellectual and/or Developmental Disabilities**

Supervisor for Case Coordination for Individuals with Intellectual and/or Developmental Disabilities is needed for overall administrative and supervision. The primary duties of this position are to provide recommendations for program development and implement programmatic changes, provide clinical supervision to program staff, monitor and improve the quality of care and of the service delivery system, and manage all program operations. This position requires a Licensed Master's Social Worker. Candidates should have 3-5 years' experience providing case coordination services and have knowledge of community living support and the services for individuals with intellectual and/or developmental disabilities. Supervisory experience is preferred.
